## Operation: The Seventh Seal

**From Anonymous' Foreign Affairs Desk, Portland Oregon Satellite Office: A declaration of Total War against The Seventh Planet.**

On, April 6th in the Year of our Lord MMXXIII, ANONYMOUS announced that they had reached an agreement with THE SEVENTH PLANET over the 420CHAN Refugee Crisis, with THE SEVENTH PLANET agreeing to act as a refuge for wayward Anons and /b/tards. Part of this agreement, announced as **Operation Lazarus**, included the removal of the /cake/subforum on 7CHAN.org, as well as the cessation of distribution of child pornography.

However, ANONYMOUS was Fooled by the traitorous leadership of THE SEVENTH PLANET. At the 11<sup>th</sup> hour, all moderators and administrators of 7chan who were against the distribution of child pornography were fired and permanently banned, as THE SEVENTH PLANET attempted to set themselves up to brainwash incoming Anons into being OK with pedophilia.

Administrators of 7CHAN.org, in partnership with various cults on the application "Discord," have endeavored to drag the entire imageboard community into their degeneracy, sending operatives to beg various /raid/ and /i/ boards to protect their child pornography stash, in order to create material to blackmail ANONYMOUS with.

**On April 19<sup>th</sup>, it was announced that 420chan would be coming back online through an agreement between Kirtaner and Fred Brennan.** On April 20<sup>th</sup>, the 47<sup>TH</sup> CONTINENTAL CONGRESS OF THE ANONYMOUS STATES OF /B/ voted to scrap the **Operation Lazarus** agreement, and begin retaliatory actions against THE SEVENTH PLANET.

Thus, it has been Enacted by the 47<sup>TH</sup> CONTINENTAL CONGRESS OF THE ANONYMOUS STATES OF /B/, that **War is hereby declared to exist between ANONYMOUS and her allies and all of the dependencies thereof, and The Seventh Planet;** and that all branches of United States Federal and Local Law Enforcement, the Viceroy of Galvez, the Viceroy of San Diego, the Viceroy of Cobsonia, the Governor of Florida, the Governor of Texas, the Lords of Flatbush, the Lords of Portland, New York's Finest Taxi Service, Ghetto Morpheus, and the Motor City Madman, are all hereby Authorized to issue Commissions or Letters of Marque to **Anyone They See Fit**, in such forms as they shall think proper, and under the seals of the Texas Bar Association and the DDOS King, against the vessels, goods, and effects of THE SEVENTH PLANET, 7CHAN.org, and all of their Domains.

*Together, Anonymous and her allies will ensure the pedophiles distributing child pornography will be brought to justice, and The Seventh Planet destroyed.*

**SUBMITTED BY ANONYMOUS EXTRA LEGIO, APPROVED AND SIGNED APRIL 21<sup>ST</sup> IN THE YEAR OF OUR LORD MMXXIII BY THE REPRESENTATIVES OF THE 47<sup>TH</sup> CONTINENTAL CONGRESS OF THE ANONYMOUS STATES OF /B/, IN THE FULL AUTHORITY OF THEIR APPOINTED OFFICES.**
