Operation: Boycott California

From Anonymous' Foreign Affairs Desk, Portland Satellite Office: A call for a worldwide boycott against the rogue terrorist state of California.

In light of recent footage published by EFNETNEWS as to the state of the Bay Area and the socioeconomic factors driving the neo-colonial Californian invasion of our cities, the 47TH CONTINENTAL CONGRESS OF THE ANONYMOUS STATES OF /B/ has hereby announced that a campaign of Boycotts, Divestments & Sanctions against the State of California shall begin Immediately.

As total War was Declared against California by Anonymous this past spring, prior Authorization to declare this Unilateral Declaration has already been obtained. Those who resist are to be tarred and feathered in the public square.

All parties worldwide are encouraged to do the following, and to use whatever means necessary to sway their friends, families, neighbors, business partners, city councils, law enforcement, government handlers, co-conspirators, and mind-control victims, to do the following:

BOYCOTT: *Do not* buy anything made in California. *Do not* buy anything sold by Californians. *Do not* do business with Californians. *Do not* give your money to companies located or headquartered in California. *Do not* use internet services hosted in California. *Do not* visit Californian web sites. *Do not* consume drugs or food produced in California. *Do not* listen or watch to media made in California.

DIVEST: *Do not* hold on to investments of Californian stocks or bonds. *Cancel* any partnerships you may have with Californian companies or individuals. *Do not* hold Californian real estate. *Do not* continue to employ Californians in your businesses or homes. *Do not* continue to allow Californians to hold political office.

SANCTION: *Legally bar* Californians from using international financial networks or assets. *Censor* Californians and Californian products in the media. *Punish* those that continue to do business with Californians. *Put* Californian leaders and CEO's *on trial* for Crimes Against Humanity in the INTERNATIONAL CRIMINAL COURT.

This campaign of Boycotts, Divestments & Sanctions (BDS) will be known from henceforth as *Operation: Boycott California*, or **#BoycottCalifornia**,

John Locke once said, "*Where all is but a dream, reasoning and arguments are of no use, truth and knowledge nothing.*" California's arguments and petitions of selfish and petty rationalizations are now of no use. In the future, it shall be remembered as a Dream: Something vaguely recalled, but only partially and then quickly swept away.

SUBMITTED BY ANONYMOUS EXTRA LEGIO, APPROVED AND SIGNED SEPTEMBER 2ND IN THE YEAR OF OUR LORD MMXXIII BY THE REPRESENTATIVES OF THE 47TH CONTINENTAL CONGRESS OF THE ANONYMOUS STATES OF /B/, IN THE FULL AUTHORITY OF THEIR APPOINTED OFFICES.
