## Operation: You Don't Know Chop

From Anonymous' Foreign Affairs Desk, Seattle Washington Satellite Office: A statement of Official Recognition by Anonymous of the Independence and Sovereignty of the Capitol Hill Autonomous Zone.

Today, April 1st in the Year of our Lord MMXXIII, ANONYMOUS held a protest in Seattle's Cal Anderson Park. The grievances were simple, and ones shared by many others in Seattle and King County: They were tired of Gentrification, Fentanyl, Gang Violence, Racist Cops, Illegal Surveillance, High Energy Prices, Mistreatment of the Homeless, the Poisoning of our Precious Bodily Fluids, Jay Inslee, and the Californian Menace.

On the same day in which Nazi extremists from California tried to stage a nationwide "Trans Day of Vengeance" which nobody wanted or asked for, over a hundred people heard ANONYMOUS' saner rally cry, from a wide variety of political and ethnic backgrounds, and came together at Cal Anderson Park. There they all realized that they had more in common with each other than what the government and Californian tech companies had wanted them to believe.

There, they proclaimed the first step towards this: **The Capitol Hill Autonomous Zone was Officially Reopened.** The legacy of the Capitol Hill Autonomous Zone, tarnished by government psyops and unchecked gang violence, will be turned around, as the rising new generation of CHAZ leaders made their first announcement:

*"The Capitol Hill Autonomous Zone is now officially **Politically Neutral Territory**. Our state is being plundered by billionaires from San Francisco while we, the residents of Washington, Oregon, and Idaho, all fight with each other. We want EVERYONE to come here: Left and Right, Alt-Left and Alt-Right, Cascadia and Greater Idaho, Black and White, Antifa and Proud Boy, Native and Colonizer, Provac and Antivax. Are you from the Pacific Northwest, and sick of the condition our careless leaders have let it slip into? We want you here.*

*As communities, Liberal Cascadia and Conservative Greater Idaho are together at a moment not unlike China's in World War II. Then, Nationalists and Communists had to come together to expel a mutual enemy: The Japanese. We must all work together to expel the Californians.*

*However, we will not make the same Mistake as China, where its factions duked it out with each other to the death once the common enemy was gone. **Everyone brings both good and troubling ideas to the table.** This is a Pacific Northwest for Pacific Northwesterners - Not for fringe extremist groups of any sort. This is why the Official State Ideology of the Capitol Hill Autonomous Zone is unapologetically called 'Radical Alt-Centrism.'*

*We call upon all displaced and exiled residents of The Chaz to come back home to Cal Anderson Park, which is no longer subject to the rules set by the City of Seattle, the State of Washington, or the United States Federal Government. The Chaz Chamber of Commerce requests that if you have any reason to conduct Business in Seattle, please conduct it at Cal Anderson Park."*

In recognition of these Events which have transpired today, ANONYMOUS and THE 7TH PLANET hereby declare their Recognition of the Capitol Hill Autonomous Zone (or "CHAZ"; colloquially known as "The Chaz") as a fellow Independent and Sovereign Nation, and that as a Free and Independent State, CHAZ has full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of right do. Representatives of ANONYMOUS also witnessed the residents of The Chaz pledge to each other their Lives, their Fortunes, and their sacred Honor.

**SUBMITTED BY ANONYMOUS EXTRA LEGIO, APPROVED AND SIGNED APRIL 1<sup>ST</sup> IN THE YEAR OF OUR LORD MMXXIII BY THE REPRESENTATIVES OF THE 47TH CONTINENTAL CONGRESS OF THE ANONYMOUS STATES OF /B/, IN THE FULL AUTHORITY OF THEIR APPOINTED OFFICES.**
