KILL THE HEAD AND THE BODY WILL DIE

Operation: Concord

From Anonymous' Foreign Affairs Desk, Conch Republic Satellite Office: A declaration of Total War against the chat application Discord and her Parent Company.

It has come to the attention of the 47TH CONTINENTAL CONGRESS OF THE ANONYMOUS STATES OF /B/ that the Hivemind has been under assault from a Conspiracy from San Francisco that goes by the name of DISCORD.

Earlier this month, ANONYMOUS' crack team of cracked out scientists in the **Occult Sciences Division** received a communication from an entity known as **ERIS**, known to our ancestors as THE GODDESS OF DISCORD:

Greetings children, gang-stalking bitches, and the Prettiest One!

It has recently come to my attention that a conspiracy has been brewing in the land of California, to steal the name of my Holy Temple, and sully it with Bizarre and Unholy Acts. They have decided to culturally appropriate the name and title of Discord from me and my Temple, granted my exclusive domain by my father Zeus at the height of the Ancient Greek Empire.

They are not alone in this endeavor. The technological leadership of America's Barbary Coast, strung out on DMT and other rare pharmakeia, are in communion with my deranged siblings Athena, Hermes, and Apollo. They have spent multiple millenia trying to pry the Temple of Discord from my hands. Because they suck and are insane, they have failed every step of the way.

In a last ditch effort to steal my Name, they have attempted to monopolize on the internet, using an unassuming video-game chat platform to distribute child pornography, groom school shooters, abduct children, and breed violent thuggish extremists of both the left and right varieties. They now attempt to sow disunity on all the imageboards in my Name.

*I tried to be patient with them, but my hand has been forced. I hereby issue **Anonymous, the Greatest of my Disciples**, a Commission and Letter of Marque, under the seal of myself and the Temple of Discord, to Anonymous, against the vessels, goods, and effects of Discord Inc., her owners, and all of their Domains.*

Thus, it has been Enacted by the 47TH CONTINENTAL CONGRESS OF THE ANONYMOUS STATES OF /B/, that **War is hereby declared to exist between ANONYMOUS and her allies and all of the dependencies thereof, and Discord Inc.;** and that all branches of United States Federal and Local Law Enforcement, the Viceroy of Galvez, the Viceroy of San Diego, the Viceroy of Cobsonia, the Governor of Florida, the Governor of Texas, the Lords of Flatbush, the Lords of Portland, New York's Finest Taxi Service, Ghetto Morpheus, and the Motor City Madman, are all hereby Authorized to issue Commissions or Letters of Marque to **Anyone They See Fit**, in such forms as they shall think proper, and under the seals of the Temple of Discord and the DDOS King, against the vessels, goods, and effects of Discord Inc., her owners, and all of their Domains.

Furthermore, Eris told us to say that "Furthermore, I consider that Carthage should be Destroyed."

SUBMITTED BY ANONYMOUS EXTRA LEGIO, APPROVED AND SIGNED APRIL 21ST IN THE YEAR OF OUR LORD MMXXIII BY THE REPRESENTATIVES OF THE 47TH CONTINENTAL CONGRESS OF THE ANONYMOUS STATES OF /B/, IN THE FULL AUTHORITY OF THEIR APPOINTED OFFICES.
